WET OR DRY PLANT HIRE

EXCAVATION

## OVERVIEW

**Skivl Pty Ltd** is a locally owned and operated registered training organisation (RTO #45804) based in Dubbo, New South Wales. We deliver nationally recognised training courses for all types of plant and machinery, earthmoving, high-risk work licences and more.

Skivl was founded to bridge the gap between training and real-world industry experience. Our trainers bring over a decade of hands-on experience in the civil construction, mining and resources industries, ensuring that our courses are grounded in practical, learned knowledge.

We are an accredited Smart and Skilled Provider and offer fully subsidised training by the NSW Government for eligible students.

We also provide on-site training, with the ability to travel anywhere in NSW to provide courses for clients, saving them time and money.

**Skivl is committed to providing practical, real-world skills and training for the next generation of professionals, grounded in over one-and-a-half decades of industry experience.**

## INDUSTRIES WE SERVE

Our broad cross-disciplinary background equips us to support multiple industries, delivering training that is finely tuned to the unique challenges of each sector.

**INDUSTRIAL**

**COMMERCIAL**
